4 Courses

POLITECNICO
MILANO 1863

FPGA computing systems: Background knowledge and introductory materials

FPGA computing systems: Partial Dynamic Reconfiguration

Developing FPGA-accelerated cloud applications with SDAccel: Theory

Developing FPGA-accelerated cloud applications with SDAccel: Practice

Aug 26, 2024

琮文 王

has successfully completed the online, non-credit Specialization

FPGA computing systems

Marco Domenico
Santambrogio
Associate Professor
DEIB - Dept. of
Electronics, Information
and Bioengineering
